THIRD SKIN

— INTERIORS —
BY FARNAZ SADEGHIAN

Farnaz Sadeghian is a certified interior decorator, trained through TAFE in Australia. Before focusing on education, she ran a Dubai practice in interior design, consultation and home staging, completing more than fifty staging projects, each one planned first in 3D.

Today she brings that professional method to a wide audience as **Decor with Farnaz**. Her lessons cover space planning, lighting, colour and smart purchasing, and every recommendation has been tested in real homes.
